

## Portable Coaxial Cable Stripper Kit

Part Number 725

Powered by a removable NICAD battery, our Portable Coaxial Cable Stripper cuts and strips coaxial cable in 3 seconds. Portable Coaxial Cable Stripper Kit Includes: Hand-Held Driver with Removable NICAD Battery Pack, 110v A/C 13-Hour Charger, and Hard-Shell Carrying Case. (Cutter Heads sold separately)

### KEY FEATURES

- » Cuts & strips coaxial cable in 3 seconds
- » Powered by NICAD battery
- » Kit includes:
  - Hand-held driver with removable NICAD battery pack
  - 110v A/C 13-hour charger
  - Hard-shell carrying case with storage room for the charger and two additional cutter heads
  - 1-year limited warranty
- » Patented quick-change cutter heads sold separately
  - Available for all coax cable & connector types listed on next page
  - Lifespan of up to 15,000 strips

Included with Portable Coaxial Stripper Kit (PN 725) Clockwise from top:  
Hand-Held Driver, Rechargeable NICAD Battery Pack, Hard-Shell Carrying Case

## ADD-ONS

### Rapid Battery Charger/Re-Conditioner PN 811RC

- » Rapid charging in +/- 107 min, eliminating the need for extra battery packs
- » Full battery charge on demand
- » Recalibration mode extends battery life (re-conditions in +/- 178 min)
- » Intelligent charging protects against overcharging
- » Eliminates crystalline memory
- » Reconditions batteries that have already developed memory
- » Keeps battery pack factory fresh and ready to use

### Spare Rechargeable NICAD Battery Pack PN 726

- » Comes fully charged and ready to use
- » Note: Slight discharge may occur and battery power may decrease as a result of cold weather or lengthy storage. In such cases, it will be necessary to re-charge for maximum power.

Rapid Charger/Re-Conditioner (PN 811RC) comes with world-wide standard A/C power adapters. Hard-shell carrying case sold separately (pictured on right).
